

Welcome to the 62nd Annual Acadian Home Builders Association Parade of Homes! This year the Parade will be hosted April 13-14 and April 20-21 in the full traditional full two weekends of open houses. We are proud to showcase over 32 homes to Acadiana this year!

On behalf of myself, the 2024 Parade of Homes Chairman, AHBA Board of Directors and AHBA Staff, I would like to extend my gratitude to everyone who has had a hand in making this event possible. We are honored to have the support we do each year and this year we would like to thank our sponsors: Home Bank, CenterPoint Energy, Doug Ashy Building Materials, Insurance Unlimited, Lafayette Marble and Granite, Manuel Builders, Superior Surface Solutions, Acadiana Garage Doors, April Guillory Design, Don's Exterminating, Facets of Lafayette, Floor and Décor, Home Builders SIF, James Hardie, M&M Glass Company, Overhead Door Company of Lafayette, ProSource Wholesale, and Southern Bath and Kitchen. We can never thank you enough for supporting AHBA Parade of Homes and our local building industry in Acadiana.

We hope that as you attend this years Parade of Homes you take note of the hardwork our builder members and their subcontractors/vendors have poured into each home. Each of the local builders and their subcontractors has made it a priority to showcase the latest trends in building materials, appliances, amenities, plumbing, lighting, style, and design. Our local builders take pride in the craftsmanship of each home. If you are in the market, considering your next home or simply curious, make sure to consult a local, licensed builder.

We also would like to express our appreciation to all of our members for their continued investment in AHBA and their efforts that continue to propel the residential construction industry in Acadiana. For more information about the Parade of Homes, visit acadianhba.com or call the AHBA office at (337) 981-3053. It has been an honor to serve as this year's chairman and represent AHBA.

Sincerely,

Michael Munnerlyn
